

ShipWeight User Group Meeting

The 14th ShipWeight User Group meeting will be held on Sunday, May 22, 2022, in conjunction with the 81st SAWE International Conference on Mass Properties Engineering in Savannah, GA. The meeting will be of interest to active ShipWeight users and those who are considering acquiring it.

The meeting is also an opportunity to meet other ShipWeight users in an informal setting for exchanging experiences and discussions on best practices. Last, but not least, it is a great opportunity to provide feedback to the developers of ShipWeight and participate in making priorities for future development of the software.
