MassTrack

ShipWeight/MassTrack User Group Meeting*)

The 15th ShipWeight/MassTrack User Group meeting will be held on Sunday, May 21, 2023, in conjunction with the 82nd SAWE International Conference on Mass Properties Engineering (May 20-24, 2023, in Cocoa Beach, Florida). The meeting will be of interest to active users as well as those who are considering acquiring it.

The meeting is also an opportunity to meet other users in an informal setting for exchanging experiences and discussions on best practices. Last, but not least, it is a great opportunity to provide feedback to the developers and participate in making priorities for future development of the software.
